Good listen! I listened to this one on Audible. An interesting cast of characters where just about anyone could be the killer. Several different layers. I agree it's a lot like Little Big Lies with a legal twist. I can also see how Nicole Kidman fits for the movie version. The narrators didn't a great job.

"A Good Marriage" (2014 Audible copyright) works very well as an audio narration because of the excellent performance by Jessica Hecht. Hecht becomes the credulous, complacent and self-satisfied Darcy who literally stumbles across her husband Bob's secret.
