I try to move, and feel my body covered in ice, stuck to the tree. I raise my arms and shoulders, and I break off small particles of ice. Ben has fallen asleep beside me, leaning against the same tree, and Bree is asleep on my other side. Two feet away is Logan, lying exactly as I left him, against his own tree. Everyone is asleep but me.

From Morgan Rice, #1 Bestselling author of THE VAMPIRE JOURNALS, comes the first book in a new trilogy of dystopian fiction. New York. 2120. America has been decimated, wiped out from the second Civil War. In this post-apocalyptic world, survivors are far and few between. And most of those who do survive are members of the violent gangs, predators who live in the big cities. They patrol the countryside looking for slaves, for fresh victims to bring back into the city for their favorite death sport: Arena One. The death stadium where opponents are made to fight to the death, in the most barbaric of ways. There is only one rule to the arena: no one survives. Ever. Deep in the wilderness, high up in the Catskill Mountains, 17 year old Brooke Moore manages to survive, hiding out with her younger sister, Bree. They are careful to avoid the gangs of slaverunners who patrol the countryside. But one day, Brooke is not as careful as she can be, and Bree is captured. The slaverunners take her away, heading to the city, and to what will be a certain death. Brooke, a Marine's daughter, was raised to be tough, to never back down from a fight. When her sister is taken, Brooke mobilizes, uses everything at her disposal to chase down the slaverunners and get her sister back. Along the way she runs into Ben, 17, another survivor like her, whose brother was taken. Together, they team up on their rescue mission. What follows is a post-apocalyptic, action-packed thriller, as the two of them pursue the slaverunners on the most dangerous ride of their lives, following them deep into the heart of New York. Along the way, if they are to survive, they will have to make some of the hardest choices and sacrifices of their lives, encountering obstacles neither of them had expected—including their unexpected feelings for each other. Will they rescue their siblings? Will they make it back? And will they, themselves, have to fight in the arena? ARENA ONE is Book #1 in the Survival Trilogy, and is 85,000 words.

“Shades of THE HUNGER GAMES permeate a story centered around two courageous teens determined to buck all odds in an effort to regain their loved ones. A believable, involving world, recommended for those who enjoy dystopian novels, powerful female characters, and stories of uncommon courage.” --Midwest Book Review, D. Donovan, eBook Reviewer (regarding Arena 1) ARENA 3 is book #3 in the Bestselling Survival Trilogy, which begins with ARENA 1, a free download. After nearly freezing to death on their trek north, Brooke and her small group wake to find themselves in civilization. They have found the utopian city, hidden deep in a remote stretch of Canada. They have heat, food, comfortable beds, clean clothes, and security. Finally, they have made it. As Brooke recovers, she meets the mysterious survivors who inhabit this city, and who vie for her love. She trains again, enhancing her fighting skills greatly under the wing of a new mentor, and matures into a woman. Brooke soon realizes, though, that being safe and secluded is not all there is to life. When she hears rumors of survivors underground, deep in America, fighting to restore order from the inside—her Dad possibly amongst them—Brooke finds herself facing the choice of a lifetime: to live in this perfect place, free and safe for the rest of her days, or to embark and fight for others—freedom. It would be a journey, she knows, back through post-apocalyptic America, this time traveling west, across its breadth, in search of the rumored survivors, of her father. She would have to fight her way through a land transformed by apocalypse, try to survive a never-ending stream of dangers, roving packs of violent gangs, with few resources and fewer supplies. It would be a two thousand mile trek to a certain suicide. And if she leaves this utopia, she knows, there is no coming back. Yet that is not the worst of it: something else lies in her way. Arena 3. The greatest arena left in what was once America, the most brutal and dangerous of them all, the one from which no one survives. The one, she knows, that would test the very limit of all that she is. Will she risk it all for others? An action-packed dystopian thriller featuring a tough female heroine whom readers worldwide have fallen in love with, ARENA THREE is the shocking conclusion to the bestselling Survival Trilogy, and one that will leave you turning pages late into the night. "Addicting...ARENA ONE was one of those books that you read late into the night until your eyes start to cross because you don't want to put it down." —Dallas Examiner

—A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down! --Allegra Skye, Bestselling author of SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Pitted against ferocious opponents, her chances of survival are slim. Her only chance lies in drawing on her innermost powers, and making the transition, once and for all, from slave to warrior. 18 year old Prince Thanos wakes on the isle of Haylon to discover he has been stabbed in the back by his own people, left for dead on the blood-soaked beach. Captured by the rebels, he must crawl his way back to life, find who tried to assassinate him, and seek his revenge. Ceres and Thanos, a world apart, have not lost their love for each other; yet the Empire court teems with lies, betrayal and duplicity, and as jealous royals weave intricate lies, they each, in a tragic misunderstanding, are led to believe the other is dead. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny?
