Beckey was born in Düsseldorf, Germany, and (due to hyperinflation in the Weimar Republic) his family immigrated to the United States in 1925, ending up in Seattle, Washington. His brother, Helmut "Helmy" Beckey, was born in Seattle in 1926 and became Fred's frequent climbing partner. Fred Beckey started climbing in the North Cascades as a teenager around age thirteen, learning the basic concepts from the Boy Scouts and, later, The Mountaineers but quickly going on to harder climbs on his own.

Parents need to know that Becky is an extremely violent thriller about a teen (Lulu Wilson) who tries to defend herself and her family from a band of escaped criminals. Violence is frequent and explicit, with guns and shooting, heavy blood and gore (including eyeballs popping out and being sliced off, and characters being stabbed by pencils, burned, and mangled by outboard motors and lawnmowers).
