Shiva: Destroyer and Protector, Supreme Ascetic and Lord of the Universe. He is Ardhanarishwara, half-man and half-woman; he is Neelakantha, who drank poison to save the three worlds-and yet, when crazed with grief at the death of Sati, set about destroying them. Shiva holds within him the answers to some of the greatest dilemmas that have perplexed mankind. Who is Shiva? Why does he roam the world as a naked ascetic covered with ash? What was the tandava? What is the story behind the worship of the linga and what vision of the world does it signify? Namita Gokhale examines these questions and many others that lie within the myriad of stories about Shiva. Even as she unravels his complexities, she finds a philosophy and worldview that is terrifying and yet life affirming-an outlook that is to many the essence of Indian thought.

A story of unrequited love. This is the story of Parvati, young, beautiful and doomed, and Mukul Nainwal, the local boy made good who returns to the Nainital of his youth to search for the only woman he has ever loved, a search that will bring him face to face with all that he has lost and can never reclaim.
Ganesha, the elephant-headed god, is easily the most recognizable and loveable of Hindu deities. But pinpointing his various attributes is not quite so simple. He is at once the portly, merry, childlike god and the sage, complex philosopher. He is the presiding deity of material wealth and the lord of spirituality. He removes all impediments for his devotees but creates all manner of difficulties for the transgressors, man or god. And associated with every aspect of Ganesha-be it his extraordinary birth, his elephant head, his broken tusk, his vehicle (the mouse), his appetite, his anger-are scores of myths, each more colourful than the other. In this thoroughly researched and delightfully narrated book, Royina Grewal gives us the many stories of Ganesha, exploring their significance and how they reflect the times and the cultures during which they originated.

Devi, Mother and Protector of the World, is one of the most loved figures of Hindu iconography. In her various incarnations, Devi is warrior, mother, faithful wife, and the fount of knowledge, delivering all that her devotees ask of her. Bulbul Sharma tells the fascinating story of Devi in this book, drawing upon the many strands of myth and legend contained in ancient scriptures and also in folklore. She looks at how these stories were created, how they changed down the ages, and the vision of the world they uphold. Rich in drama and symbolism, these stories live today with the same intensity as they did when they were first told.
A story of unrequited love. This is the story of Parvati, young, beautiful and doomed, and Mukul Nainwal, the local boy made good who returns to the Nainital of his youth to search for the only woman he has ever loved, a search that will bring him face to face with all that he has lost and can never reclaim.

Sita is one of the defining figures of Indian womanhood, yet there is no single version of her story. Different accounts coexist in myth, literature and folktale. Canonical texts deify Sita while regional variations humanize her. Folk songs and ballads connect her timeless predicament to the daily lives of rural women. Modern-day women continue to see themselves reflected in films, serials and soap operas based on Sita’s narrative. Sacrifice, self denial and unquestioning loyalty are some of the ideals associated with popular perceptions of Sita. But the Janaki who symbolized strength, who could lift Shiva’s mighty bow, who courageously chose to accompany Rama into exile and who refused to follow him back after a second trial, is often forgotten. However she is remembered, revered or written about, Sita continues to exert a powerful influence on the collective Indian psyche. In Search of Sita presents essays, conversations and commentaries that explore different aspects of her life. It revisits mythology, reopening the debate on her birth, her days in exile, her abduction, the test by fire, the birth of her sons and, finally, her return to the earth—offering fresh interpretations of this enigmatic figure and her indelible impact on our everyday lives.

'The history of women is left to us in folklore and tradition, in faintly-remembered lullabies and the half-forgotten touch of a grandmother’s hand, in recipes, ancestral jewellery, and cautionary tales about the limits of a woman’s empowerment. Mountain Echoes describes the Kumaoni way of life through the eyes of four highly-talented and individualistic women. Their recollections mirror a social universe that no longer exists, that has been dissolved in the mainstream of modernization and urbanization, of democracy, education and emancipation. Shivani, Tare Pande, Jiya, and Shakuntala Pande were all alive and well when this book was first published in 1998. In the midst of all the rapid and unrecognizable charge that surrounds us, their stories and their memories are distilled into an even more precious evocation of times past.'

One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images-from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali-from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion-that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources-rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films-she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

'The epic text of Ranjit Desai’s Shrirman Yogi finds new voice in Vikrant Pande’s nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb’s durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

A street sweeper discovers a cache of black market money and escapes to see the Taj Mahal with his underage mistress; an Untouchable races to reclaim his life that’s been stolen by an upper-caste identity thief; a slum baby’s head gets bigger and bigger as he gets smarter and smarter, while his family tries to find a cure. One of India’s most original and audacious writers, Uday Prakash, weaves three tales of living and surviving in today’s globalized India. In his stories, Prakash portrays realities about caste and class with an authenticity absent in most English-language fiction about South Asia. Sharply political but free of heavy handedness.
