Church planting is a process that results in a new local Christian church being established. It should be distinguished from church development, where a new service, new worship center or fresh expression is created that is integrated into an already established congregation. For a local church to be planted, it must eventually have a separate life of its own and be able to function without ...

Church Planter Quotes Showing 1-19 of 19 “Most churches do not grow beyond the spiritual health of their leadership. Many churches have a pastor who is trying to lead people to a Savior he has yet to personally encounter. If spiritual gifting is no proof of authentic faith, then certainly a job title isn't either.
