Rebecca Schwartz, nice Jewish lawyer with a few too many fantasies, is happily playing the piano in a warehouse when she suddenly finds herself assigned to make sure a near-naked state senator escapes a police raid. That dirty job done, a lovely evening turns even more delightful when she's picked up by the cops and spends the next two hours at the Hall of Justice. Could this day get any worse? Of course! Guess who arrives home to find a dead hooker on her living room floor? Handsome Parker Phillips, Rebecca's new beau and the most attractive man she's met in ages, is arrested for the murder. (Worse, she suspects he might actually have done it.) On the plus side, another very attractive man is following the case—reporter Rob Burns of the San Francisco Chronicle, a possible ally. And there are other possibilities.

Rebecca Schwartz is a fairly normal Bay-area attorney. But when she almost gets busted for playing piano in a bordello, and Kandi, a part-time student-prostitute is killed in her home, and then the killer stalks Rebecca, it's time to take action—which is just what she does....

When the smiling King of Carnival is killed at Mardi Gras, policewoman Skip Langdon is on the case. She knows the upper-crust family of the victim and that it hides more than its share of glittering skeletons. But nothing could prepare her for the tangled web of clues and ancient secrets that would mean danger for her—and doom for the St. Amants... "Smith is a gifted writer." THE WASHINGTON POST BOOK WORLD

When out-of-state visitors are found murdered at a series of local San Francisco tourist attractions, Rebecca Schwartz, an attorney and amateur detective, decides to investigate

"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

Once again, there's death on her doorstep... Thea throws herself into house-sitting for Babs and Cedric Angell in Lower Slaughter following her beloved father's death - anything to keep her busy and away from some of her rather difficult relatives. Although it's lonely, she has her spaniel Hepzie for company, and keeping the house in order and looking after the Angells' menagerie of animals does the trick for a short period of time. But when Thea's prickly older sister turns up, after witnessing a horrific killing, the timeless tranquility of Lower Slaughter vanishes, replaced by the sinister connotations of the town's name.

PULITZER PRIZE FINALIST NATIONAL BOOK AWARD FINALIST A NEW YORK TIMES TOP 10 BOOK OF 2018 LOS ANGELES TIMES BOOK PRIZE WINNER ALA CARNEGIE MEDAL WINNER THE STONEWALL BOOK AWARD WINNER Soon to Be a Major Television Event, optioned by Amy Poehler "A page turner . . . An absorbing and emotionally riveting story about what it's like to live during times of crisis." —The New York Times Book Review A dazzling novel of friendship and redemption in the face of tragedy and loss set in 1980s Chicago and contemporary Paris In 1985, Yale Tishman, the development director for an art gallery in Chicago, is about to pull off an amazing coup, bringing in an extraordinary collection of 1920s paintings as a gift to the gallery. Yet as his career begins to flourish, the carnage of the AIDS epidemic grows around him. One by one, his friends are dying and after his friend Nico's funeral, the virus circles closer and closer to Yale himself. Soon the only person he has left is Fiona, Nico's little sister. Thirty years later, Fiona is in Paris tracking down her estranged daughter who disappeared into a cult. While staying with an old friend, a famous photographer who documented the Chicago crisis, she finds herself finally grappling with the devastating ways AIDS affected her life and her relationship with her daughter. The two intertwining stories take us through the heartbreak of the eighties and the chaos of the modern world, as both Yale and Fiona struggle to find goodness in the midst of disaster. Named a Best Book of 2018 by The New York Times Book Review, The Washington Post, NPR, San Francisco Chronicle, The Boston Globe, Entertainment Weekly, Buzzfeed, The Seattle Times, Bustle, Newsday, AM New York, BookPage, St. Louis Post-Dispatch, Lit Hub, Publishers Weekly, Kirkus Reviews, New York Public Library and Chicago Public Library

The classic Gothic suspense novel by Daphne du Maurier – winner of the Anthony Award for Best Novel of the Century – is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives—presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." --Stephen King

EDGAR AWARD NOMINEE FOR BEST FIRST NOVEL "Startlingly inventive." —The New York Times Book Review "A sheer delight to read . . . I had no idea what was going to happen from one page to the next." —Kate Atkinson On the grubby outskirts of Paris, Grace restores bric-a-brac, mends teapots, re-sets gems. She calls herself Julie, says she's from California, and slips back to a rented room at night. Regularly, furtively, she checks the hometown paper on the Internet. Home is Garland, Tennessee, and there, two young men have just been paroled. One, she married; the other, she's in love with. Both were jailed for a crime that Grace herself planned in exacting detail. The heist went bad—but not before she was on a plane to Prague with a stolen canvas rolled in her bag. And so, in Paris, begins a cat-and-mouse waiting game as Grace's web of deception and lies unravels—and she becomes another young woman entirely. Unbecoming is an intricately plotted and psychologically nuanced heist novel that turns on suspense and slippery identity. With echoes of Alfred Hitchcock and Patricia Highsmith, Rebecca Scherm's mesmerizing debut is sure to entrance fans of Gillian Flynn, Marisha Pessl, and Donna Tartt.

Rebecca James unveils a chilling modern gothic novel of a family consumed by the shadows and secrets of its past in The Woman in the Mirror. For more than two centuries, Winterbourne Hall has stood atop a bluff overlooking the English countryside of Cornwall and the sea beyond. Enshrouded by fog and enveloped by howling winds, the imposing edifice casts a darkness over the town. In 1947, Londoner Alice Miller accepts a post as governess at Winterbourne, looking after twin children Constance and Edmund for their widower father, Captain Jonathan de Grey. Falling under the de Greys' spell, Alice believes the family will heal her own past sorrows. But then the twins' adoration becomes deceitful and taunting. Their father, ever distant, turns spiteful and cruel. The manor itself seems to lash out. Alice finds her surroundings subtly altered, her air slightly chilled. Something malicious resents her presence, something clouding her senses and threatening her very sanity. In present day New York, art gallery curator Rachel Wright has learned she is a descendant of the de Greys and heir to Winterbourne. Adopted as an infant, she never knew her birth parents or her lineage. At long last, Rachel will find answers to questions about her identity that have haunted her entire life. But what she finds in Cornwall is a devastating tragic legacy that has afflicted generations of de Greys. A legacy borne from greed and deceit, twisted by madness, and suffused with unrequited love and unequivocal rage. There is only one true mistress of Winterbourne. She will not tolerate any woman who dares to cross its threshold and call it home. Those who do will only find a reflection of their own wicked sins and an inherited vengeance.
