English for the Pharmaceutical Industry teaches students how to communicate effectively in different areas of pharmaceuticals. The course is suitable for a range of pharmaceutical professionals, such as chemists, formulation scientists, lab technicians, medical writers, and clinical researchers. English for the Pharmaceutical Industry has six units which cover the core areas of pharmaceuticals, from initial substance discovery to the final stages of production and packaging. Every unit uses authentic situations and dialogues to concentrate on one fundamental aspect of the industry. This short, intensive course can be completed in 25-30 hours, so students make progress quickly. Table of contents: * Unit 1: The kick-off meeting: Providing information, introducing oneself, one's field and projects, summarizing action points, writing job ads. * Unit 2: Substance discovery: Asking about drug discovery and drug development, talking about time periods, asking for and giving opinions. * Unit 3: Quality assurance and auditing: Informing, asking questions during an audit, suggesting corrective action, discussing SOPs. * Unit 4: Reading for testing in live organisms: Describing a process, getting information, making suggestions, linking ideas, requesting information and responding directly. * Unit 5: Drug safety and regulatory affairs: Reporting severe adverse events, discussing the causes of SAEs, asking about implications form a drug, giving general advice, giving strong warnings. * Unit 6: Production and packaging: Expressing moments in time, giving instructions, describing a process, giving presentations.

Why is it that Casio can sell a calculator more cheaply than Kellogg's can sell a box of corn flakes? Why can FedEx "absolutely, positively" deliver your package overnight but airlines have trouble keeping track of your bags? What does your company do better than anyone else? What unique value do you provide to your customers? How will you increase that value next year? As customers' demands for the highest quality products, best services, and lowest prices increase daily, the rules for market leadership are changing. Once powerful companies that haven't gotten the message are faltering, while others, new and old, are thriving. In disarmingly simple and provocative terms, Treacy and Wiersema show what it takes to become a leader in your market, and stay there, in an ever more sophisticated and demanding world.
