Fly-on-the-wall is a style of documentary-making used in film and television production.The name derived from the idea that events are seen candidly, as a fly on a wall might see them. In the purest form of fly-on-the-wall documentary-making, the camera crew works as unobtrusively as possible; however, it is also common for participants to be interviewed, often by an off-camera voice.

"I think this might be the best YA novel . . . I've ever read." –John Green From E. Lockhart, author of We Were Liars—the New York Times bestselling phenomenon—and the uproarious and heartwarming Ruby Oliver books, comes a fast-paced and hysterically funny novel that answers the question: What would it be like to be a fly on the wall in the boy's locker room? At the Manhattan School for Art and Music, where everyone is "different" and everyone is "special," Gretchen Yee feels ordinary. She's the kind of girl who sits alone at lunch, drawing pictures of Spider-Man, so she won't have to talk to anyone; who has a crush on Titus but won't do anything about it; who has no one to hang out with when her best (and only real) friend Katya is busy. One day, Gretchen wishes that she could be a fly on the wall in the boys' locker room—just to learn more about guys. What are they really like? What do they really talk about? Are they really cretins most of the time? Fly on the Wall is the story of how that wish comes true.

You would have to be a fly on the wall to learn of the secret love affair between Paige, a divorced English teacher, and Theo, a high school student and star basketball player. You will be a fly on the sizzling-hot walls when this flirtatious and lustful duo takes risks during detentions, school dances, and games. However, once in her bedroom, he teaches the lessons and she becomes the willing and ready-to-learn student. What happens when her ex-husband, who happens to be his coach, walks in on them?

Ace reporter John Cotton is a fly on the wall -- seeing all, hearing all, and keeping out of sight. But the game changes when he finds his best friend's corpse sprawled on the marble floor of the central rotunda of the U.S. Capitol. Suddenly Cotton knows too much about a scandal centered around a senatorial candidate, a million-dollar scam, and a murder. And he hears the pursuing footsteps of powerful people who have something to hide ... and a willingness to kill to keep their secrets hidden.

When Gretchen Yee, a student at the Manhattan High School for the Arts, wishes she were a fly on the wall of the boys' locker room, she never expects her wish to come true in such a dramatic way.

From talented debut author Simone Kelly comes this suspenseful novel that crackles with intrigue, sex, and plenty of surprises—perfect for fans of Eric Jerome Dickey and Carl Weber. Meet Jacques Berradi. Moroccan-born and Manhattan-raised, his genuine, sexy-smooth allure goes hand in hand with a unique gift. Since Jacques was young, he has had the ability to read peoples' energies, communicate with spirit guides, and even catch glimpses of people's futures. Now a professional "intuitive counselor," Jacques's clients pay him handsomely for his insight. Unfortunately, Jacques's psychic abilities don't come with an off switch to tune out the world's noise, nor do they always provide him with easy answers; recently Jacques has begun having dark, alarming dreams about his beloved father, a Moroccan immigrant who died when he was a boy. Meet Kylie Collins, an adventurous, Miami twentysomething who is trying to find her footing after being laid off from a cushy music industry job. When a mishap brings them together, Kylie is instantly mesmerized by Jacques's cool demeanor and intuitive abilities, and he's captivated by her outgoing charm and breezy good looks. Seeking to learn more about her family history—including the identity of the father she's never known—Kylie visits Jacques's office to gain some insight about her future, and about her free-spirited and headstrong Jamaican mother, True. But on the night that they meet, a rolling blackout cuts off power throughout Miami. Kylie and Jacques, and a few of his clients, head to the only place in the neighborhood with enough light to see: Like a Fly on the Wall Detective Agency. There, Kylie serendipitously lands herself the perfect new job as an apprentice private eye. As partners, Jacques and Kylie are an unstoppable duo. Can Jacques's intuition reveal the scandalous history of Kylie's mother and father? Will Kylie's newfound detective skills uncover evidence about the death of Jacques's father? And will the chemistry that charges their friendship bubble over into something much, much hotter...?
