By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians

for students to apply their knowledge and develop statistical literacy. The text is suitable for a one-semester course. Elementary Statistics, Eighth Edition, contains parallel presentation of critical-value and p-value approaches to hypothesis testing. This unique design allows both the flexibility to concentrate on one approach or the opportunity for greater depth in comparing the two. This edition of Elementary Statistics continues the book's tradition of being on the cutting edge of statistical pedagogy, technology, and data analysis. It includes hundreds of new and updated exercises with real data from journals, magazines, newspapers, and Web sites. Elementary Statistics, Eighth Edition, takes a data-driven approach with more than 700 data sets documented by several hundred data

late-night suppers near my apartment in Tokyo, the best grilled chicken from a Thai street market, and my grandmother's famous Hainanese Chicken Rice. These dishes all sit fondly in my memory, but they also tell their own stories of rich tradition and culture. They are stories that are centuries old, but which have not yet ended. With each new dish we make we add our own experiences and tastes. 'There is a Confucian proverb that translates roughly to "Consider old things to understand new things". This is the essence of the Two Asian Kitchens. The Old Kitchen represents the traditional dishes of my history, while The New Kitchen tells the next chapter in the story of the food I love.'
