The story of these beloved bricks and the people who built an empire with them. From its inception in the early 1930s right up until today, the LEGO Group's history is as colorful as the toys it makes. Few other playthings share the LEGO brand's creative spirit, educational benefits, resilience, quality, and universal appeal. This history charts the birth of the LEGO Group from the workshop of a Danish carpenter and its steady growth as a small, family-run toy manufacturer to its current position as a market-leading, award-winning brand. The company's growing catalogue of products\u2014including the earliest wooden toys, plastic bricks, play themes and other building systems such as DUPLO, Technic, and MINDSTORMS\u2014are chronicled in detail, alongside the manufacturing process, LEGOLAND parks, licensed toys, and computer games. Learn all about how LEGO pulled itself out of an economic crisis and embraced technology to make building blocks relevant to twenty-first century children, and discover the vibrant fan community of kids and adults whose conventions, websites, and artwork keep the LEGO spirit alive. Building a History will have you reminiscing about old Classic Space sets, rummaging through the attic for forgotten minifigure friends, and playing with whatever LEGO bricks you can get your hands on (even if it means sharing with your kids).

Building a Global Learning Organization: Using TWI to Succeed with Strategic Workforce Expansion in the LEGO Group describes how a multinational company developed a global structure for learning based on the TWI (Training Within Industry) program to create and sustain standardized work across multiple language and cultural platforms. In this engaging biography, readers will learn about the manufacturers of LEGO, the Kristiansen Family. Follow the family's story from Denmark where Ole Kirk Christiansen began making wooden toys in his Billund Carpentry Shop and Lumberyard to the company's evolution to the LEGO company. Christiansen and his sons Godtfred, Karl, and Gerhardt purchase a machine that makes plastic toys, and create the LEGO brick, and his grandson Kjeld Kirk Kristiansen expands to LEGOLAND. Learn how LEGO bricks are made, who came up with the name, how the family name came to be spelled with a K, and about other LEGO Group products. Sidebars, historic photos, and a glossary enhance readers' understanding of this topic. Additional features include a table of contents, an index, a timeline and fun facts. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Includes one red LEGO brick inside front cover.
