Rilke's timeless letters about poetry, sensitive observation, and the complicated workings of the human heart. Born in 1875, the great German lyric poet Rainer Maria Rilke published his first collection of poems in 1898 and went on to become renowned for his delicate depiction of the workings of the human heart. Drawn by some sympathetic note in his poems, young people often wrote to Rilke with their problems and hopes. From 1903 to 1908 Rilke wrote a series of remarkable responses to a young, would-be poet on poetry and on surviving as a sensitive observer in a harsh world. Those letters, still a fresh source of inspiration and insight, are accompanied here by a chronicle of Rilke's life that shows what he was experiencing in his own relationship to life and work when he wrote them.

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

Rainer Rilke is considered one of the most significant poets in the German language. The letters in this book were written by Rilke to Franz Kappus, a 19-year-old student at the Military Academy of Vienna. Discouraged by the prospect of military life, Kappus began to send his poetry to the 27-year-old Rilke, seeking both literary criticism and career advice. After Rilke's death, Kappus assembled and published the letters. Although the first letter from Kappus asked for critiques of his poetry, Rilke gave him very little during their correspondence. He also discouraged Kappus from reading criticism, advising him to trust his inner judgment. Instead, the majority of the letters address personal issues that Kappus revealed to Rilke; their span is tremendous, ranging from atheism, loneliness, sexuality, and career choices.

This volume collects essential work by one of the twentieth century's greatest writers, Rainer Maria Rilke (1875-1926). Rilke's prose and poetry is necessary reading for anyone interested in modern literature, but the poet's words will

captivate anyone who wishes to take a deep look at life -- and at themselves. Letters to a Young Poet, one of the best-loved books among writers even today, contains Rilke's wise, nurturing missives to another aspiring young writer, Franz Xaver Kappus, who looked to Rilke for spiritual and creative guidance. Rilke's response turned the questioner's gaze around to point within himself in the quest for answers to life and art's big questions. Rilke rejects any reliance on others to validate one's artistic endeavors. He believed writing is an inner journey, a slow process of self-discovery. Yet the poet also encourages Kappus to observe his own life and surroundings to find his subject matter and inspiration. The poet must transform the everyday reality that's all around him.

A letter from Virginia Woolf to an aspiring poet who had written to her for help with composition. A fascinating insight into the way Woolf thought of poetry.

Unlock the more straightforward side of Letters to a Young Poet with this concise and insightful summary and analysis! This engaging summary presents well-known collection, Letters to a Young Poet by Rainer Maria Rilke, a fascinating series of letters to a would-be young poet who has sought his advice on poetry and survival as a sensitive, artistic soul in a harsh and unforgiving world. Rilke gained considerable renown following the publication of his first collection of poems in 1898 and became known for his delicate depiction of the workings of the human heart, as well as his readiness to help young people with their problems and concerns. As a young man, Rabindranath Tagore wrote a series of letters to his niece during what he described as the most productive period of his life. By turns contemplative and playful, gentle and impassioned, Tagore's letters abound in incredible insights—from sharply comical portrayals of English sahibs to lively anecdotes about family life, from thoughts on the nature of poetry to spiritual contemplation and inner feeling. And coursing through all these letters, like a ceaseless heartbeat, is Tagore's deep love for the natural splendour of Bengal. In this manner, this volume also serves as a prose companion to his magnificent work Gitanjali. Letters from a Young Poet shimmers with wit and warmth, and offers unforgettable vignettes of the young poet in those happy days before extraordinary fame found him.

"Nearly a century after the publication of Rilke's inspirational work, the missing letters of the young poet himself finally appear in this canonical edition. For more than ninety years, eager writers and young poets, even those simply looking for a purpose in life, have embraced the wisdom of Rainer Maria Rilke's Letters to a Young Poet, first published in 1929. Most readers and scholars assumed that the letters from young poet were forever lost to posterity. Yet, shockingly, the letters were recently discovered by Erich Unglaub, a Rilke scholar, and published in German in 2019. The acclaimed translator Damion Searls has now not only retranslated Rilke's original letters but also translated the letters by Franz Xaver Kappus, an Austrian military cadet and, yes, aspiring poet. This timeless edition, in addition to joining the two sets of letters together for the first time in English, provides a new window into the workings of Rilke's visionary poetic and philosophical mind, allowing us to reexperience the literary genius of one of the most inspiring works of twentieth-century literature"--

From the writer of the classic Letters to a Young Poet, reflections on grief and loss, collected and published here in one volume for the first time. "A great poet's reflections on our greatest mystery." —Billy Collins "A treasure . . . The solace Rilke offers is uncommon, uplifting and necessary." —The Guardian Gleaned from Rainer Maria Rilke's voluminous, never-before-translated letters to bereaved friends and acquaintances, The Dark Interval is a profound vision of the mourning process and a meditation on death's place in our lives. Following the format of Letters to a Young Poet, this book arranges Rilke's letters into an uninterrupted sequence, showcasing the full range of the great author's thoughts on death and dying, as well as his sensitive and moving expressions of consolation and condolence. Presented with care and authority by master translator Ulrich Baer, The Dark Interval is a literary treasure, an indispensable resource for anyone searching for solace, comfort, and meaning in a time of grief. Praise for The Dark Interval "Even though each of these letters of condolence is personalized with intimate detail, together they hammer home Rilke's remarkable truth about the death of another: that the pain of it can force us into a 'deeper . . . level of life' and render us more 'vibrant.' Here we have a great poet's reflections on our greatest mystery." —Billy Collins "As we live our lives, it is possible to feel not sadness or melancholy but a rush of power as the life of others passes into us. This rhapsodic volume teaches us that death is not a negation but a deepening experience in the onslaught of existence. What a wise and victorious book!" —Henri Cole
