is one step further than
cost accounting.

*What is cost and
management
accounting?*

Cost Accounting is a
part of Management
Accounting as the
information is used by
the managers for
making decisions. The
primary objective of the
Cost Accounting is the

Acces PDF Management

ascertainment of cost of producing a product, but the main objective of the management accounting is to provide information to managers for setting goals and future activity.

*Difference Between
Cost Accounting and
Management ...*

Management
Accounting helps the

Acces PDF Management

management to conduct the business in a more efficient manner. The scope of management accounting is broader than that of cost accounting. In other words, it can be said that the management accounting can be considered as an extension of cost accounting.
