“A literary experience unlike any I’ve had in recent memory . . . a blueprint for this moment and the next, for where Black folks have been and where they might be going.”—The New York Times Book Review (Editors’ Choice) What does it mean to be Black and alive right now? Kimberly Drew and Jenna Wortham have brought together this collection of work—images, photos, essays, memes, dialogues, recipes, tweets, poetry, and more—to tell the story of the radical, imaginative, provocative, and gorgeous world that Black creators are bringing forth today. The book presents a succession of startling and beautiful pieces that generate an entrancing rhythm: Readers will go from conversations with activists and academics to memes and Instagram posts, from powerful essays to

the contributors to this book and about the one who is making the change of worlds possible, God the Almighty. Three major religions of this world, Christianity, Islam and Zoroastranism worship the same God. This book explains who this God is, where He comes from, who His parents are and how He acquired spiritual might over all. Many references are made to God the Almighty and His work. Most remarkable, however, are the contributions to this book signed "God the Almighty". Larry King is the most successful talk show host in this world. Because of spiritual mechanisms whenever his guests make spiritually relevant statements these have to be corrected or commented on. Some of these comments are signed "God the Almighty" and touch very important topics: nature's upheaval at the end of
