Of Dreams and Assassins is the urgent and rhythmic fourth novel of Malika Mokeddem, her second to appear in English. Born in Algeria to a Bedouin family that had only recently become sedentary, Mokeddem was raised on the stories of her grandmother, who encouraged her education at a time when girls did not go to school. Though raised in a tolerant version of Islam, Mokeddem nevertheless felt the weight of custom and tradition. Of Dreams and Assassins, though not strictly autobiographical, evokes through the beauty and vastness and oppressive heat of the desert Mokeddem's early yearning for freedom. Through its heroine, Kenza, and her simultaneous rebellion and immersion in the literary classics at a boarding school, the novel dramatizes the possibilities for women to express their identities. Kenza is an exile, first in her own society and later in France. Born during a visit to Montpellier in the year of Algerian independence, she returns with her mother to Oran to find her father has taken another wife. Her mother leaves alone, never to return. Kenza's subsequent search for herself through the mother she doesn't know, told in a frank first-person narrative, mirrors the struggle of Algerian women to make a place in a society that has stripped them of their rights in spite of their crucial participation in the war for independence. Kenza's suffocating childhood in the house of her boisterous, leering father is broken only by summers in the desert, where the dates "become golden brown and gleam like little clusters of suns that mock the children." Eventually, Kenza, like Mokeddem herself, leaves her home to go to school in Montpellier, because she can no longer tolerate life in Algeria. Of Dreams and Assassins is a protest, against the subjugation of women in Algeria and the violence of the last ten years, perpetrated by fundamentalist Muslim guerrillas. In exile, Kenza puts her hope in métissage, the blending of cultures embodied by the character of Slim, her friend and confidant, who lives happily with his mixed-race origins. Kenza's story dramatizes Mokeddem's belief that the future of Algeria lies in its women and in education; only through liberation and education can the pain of Kenza's exile be redeemed.

After Assistant Canton County Commonwealth Attorney Kit Babcock reports sleazy attorney Walt Brown for unethical conduct, the money for her position mysteriously dries up. Facing imminent unemployment, Kit wonders whether she should return to her old job of prosecuting lawyers for ethics violations (where, in fact, she once prosecuted Walt), but that means leaving home. And maybe returning to a position where she got burnt out prosecuting horrible attorneys isn't the best idea. Then Kit wins a write-in election for Canton Circuit Court Clerk--a write-in election she didn't encourage at all. But on Election Night, the defeated incumbent, Gary Moss, publicly and to her face threatens to sue Kit to keep his office, claiming she must have won by fraud. Kit wonders if the job is worth the lawsuit that will come with it. As Kit ponders whether she should accept the office, Gary rather inconveniently turns up dead. And while the death seems to be an accident, information soon comes to light that the late Mr. Moss was actually murdered. And Kit becomes the prime suspect. Unless the real murderer is discovered, Kit can forget about being the clerk or going back to her old job--not to mention keeping her law license and her freedom. ELECTIONS AND CONSEQUENCES is the first novel in the Canton County Chronicles Mystery Series by C.M. Carleton.
