~~Silent Victim (TV Movie 1993) - IMDb~~

“ Silent Victim is fast-paced, twisty, and it chilled me to the bone...I loved every minute of it! ” —Robert Bryndza “ The very definition of a page-turner. Unreliable narrators mean you never quite know where you stand until it all builds to a richly satisfying climax. A fantastic psychological thriller. ” —John Marrs

~~Silent Victim: Amazon.co.uk: Mitchell, Caroline...~~

Silent Victim is a character-driven, thrill ride that reminds us that skeletons often find their way out of the closet no matter how well they are hidden or buried and highlights just how easily someone's behaviour can be manipulated, misinterpreted, questioned, and used against them.

~~Silent Victim by Caroline Mitchell – Goodreads~~

Silent Victim is the true story about a troubled pregnant wife (Michelle Greene) who attempts suicide, but is only successful in killing her unborn child, not herself.

~~Silent Victim (1992) – Rotten Tomatoes~~

Silent Victim is a stand-alone psychological thriller, so if you ‘ re new to Caroline ‘ s books as well, this is probably a good place to start. This is a dark, dark, twisty book that held me captivated right from the first page.

~~Amazon.co.uk:Customer reviews: Silent Victim~~

Silent Victim touchingly illustrates one boy's shattering childhood journey in child abuse as he learns to rely on sheer will and determination to survive the horrors of sexual abuse. Synopsis Of Untold Stories: In the memoir, he tells of a scary and lonely world of abuse and pornography and the effects these environments had on him as a child.

~~Silent Victim, Untold Stories & Lost Boy,~~

This final book, Silent Victims, was easily my favourite, but even then it wasn ‘ t anything mind blowing. In truth, Silent Victims has left me rethinking my ratings of the prior two books. I gave all three books a three-star rating, but this final book is a much stronger read.

~~Silent Victims (Prime Suspect, #3) by Lynda La Plante~~

Incredibly suspenseful, with a fast-paced style that does not relent until the final word, Silent Victim vocalizes the dreaded question inside all of us: “ What are my loved ones capable of?” Sometimes murder isn ‘ t the worst answer...

present. External links. Website. Silent Witness is a British crime drama television series produced by the BBC, which focuses on a team of forensic pathology experts and their investigations into various crimes. First broadcast in 1996, the series was created by Nigel McCrery, a former murder squad detective based in Nottingham.

~~Silent Witness – Wikipedia~~

After all the 5-star reviews for Silent Victim, I was expecting something a lot better, but this was a big disappointment. It's basically a standard stalker story, but let down by flat writing, poor pacing and characters that don't come off the page. The best part is Luke's "grooming" narrative, set in 2002/3, which is compelling and chilling ...

By now, the silent victim in my chair must have already resigned to her fate. She couldn ‘ t see herself in the mirror, couldn ‘ t fathom that her long hair had been reduced down to a horseshoe flattop that I only reserved for military men.

~~The Silent Victim – The Hair Story Network~~

Bonnie Jackson (Michele Greene) is unhappy with her life. Her husband Jed Jackson (Kyle Secor) is abusive towards her, and beats her because, among other things, she can't bear children from him. She is taking anti-depresants, fertilizing pills and other medicines. However, one day, she commits suicide by taking an overdose of prescription pills.

~~Silent Victim~~

"Emma is a loving wife, a devoted mother--and an involuntary killer. For years she's been hiding the dead body of the teacher who seduced her as a teen. It's a secret that might have stayed buried if only her life had been less perfect. A promotion for Emma's husband Alex means they can finally move to a bigger home with their young son. But with a buyer lined up for their old house, Emma can't leave without destroying every last trace of her final revenge"--Dust jacket flap.

The woman ‘ s golden hair is spread out beneath her on the bed of leaves where she ‘ s fallen, her beautiful blue eyes open wide. The police are calling it a random attack, but Jessie Tucker isn ‘ t so sure – she ‘ s seen this crime scene before... she was the victim. Twelve years ago, Jessie Tucker was attacked as she made her way home from an outdoor concert. She still walks with a limp from that night, and every day since has been a struggle to rebuild her life. The police told her she was unlucky – that she was safe after they charged a local man for the crime. But Jessie has never managed to shake the feeling that there was someone else in the park that night... someone she knew. But then Margaret Kincaid ‘ s murder file lands across her desk, and Jessie knows she can ‘ t keep silent any longer. Margaret ‘ s wounds so exactly match her own its spooky – but Jessie ‘ s attacker is in prison, and Jessie has never met the victim. What links her to Margaret Kincaid, and why did the attacker let one woman live, and the other die? Nail-biting, gripping and absolutely unputdownable! Perfect for fans of Lisa Regan, Kendra Elliot and Gregg Olsen. What readers are saying about The Silent Victim: ‘ Wow...this book was extremely unexpected... From beginning to end, every page was a thrill ride. I was hooked right from the start... I can't wait to read more. ‘ Goodreads reviewer, 4 stars ‘ I loved everything about it! It was really interesting to read from the view of the reporter and what happened to her and the end. OMG was not expecting that! It was really gripping. ‘ Goodreads reviewer, 5 stars ‘ This mystery will keep you guessing until the very end... It will keep you on the edge of your seat. ‘ Goodreads reviewer, 5 stars ‘ So tense, so chilling, full of twists and turns. Keep me up well past my bedtime, I could not put it down. Great beginning to a new series! I will be following. ‘ Goodreads reviewer, 4 stars ‘ This book grabbed me from the first page. It ‘ s a great story with all sorts of twists and turns. Just when I thought I had it figured out the author veered off in another direction. ‘ NetGalley reviewer, 4 stars ‘ I really enjoyed this psychological thriller! So many levels of domestic drama, political secrets and good cop/bad cop. Loved the characters. So easy to fall in love with the star of the book Jessie Tucker... So many thrilling twists and turns. The book caught me from the very beginning and just could not put it down. Lots of wonderfully intense emotions in this book! I highly recommend it! ‘ Goodreads reviewer, 5 stars

Little Timmy is a shy, insecure, nine-year-old boy when he meets Brian Gunther, a third-grade teacher in his elementary school. Nothing awaits him at home except a physically and mentally abusive mother and an absentee father. But when Timmy appears at school one day sporting bruises and a fat lip, everything changes between Mr. Gunther and him. As Mr. Gunther showers Timmy with affection and gifts, he becomes the friend and male role model Timmy has never had in his life. The teacher has evil intentions for befriendng Timmy, however, far beyond simple molestation. As Timmy is unwittingly lured into the lonely, dark world of child pornography and orgiesin which he is tortured and forced to rape sexual acts on other boys and menhe becomes not only a victim of rape, but also of blackmail and deception. Unfortunately, his nightmare is just beginning. Silent Victim touchingly illustrates one boy's shattering childhood journey as he learns to rely on sheer will and determination to survive the horrors of sexual abuse.

I had every season of my life planned out after finding the love of my life. From the wedding, my stepdaughter and our perfect lifestyle to the happily ever after I just knew I was heading in the right direction. Then, life happened, or should I say ended. It's hard to walk in a life of mess after thoughtfully planning out every season to be in perfection. It's even harder coming to the reality that life will never be the be same! Stuck in silence, I lost all of myself and my way. Hate, pain and defeat took the place of my happiness and I had no voice to cry out for help. What does one do when you've lost the word and trapped in your own silence?

Recounts Aaron Fisher's experiences as the first victim to speak up against Jerry Sandusky in the Penn State scandal.

To Catch A Twisted Killer At first, they look like suicides. Two bodies within a week--one found floating in New York's East River, another electrocuted in the bathtub. But forensics show that the victims were drugged, then killed. As the death toll grows, so does the brutality of the murders--and the killer dubbed the Flesh Collector continues to prey. Put Yourself In His Path NYPD profiler Lee Campbell joins the frantic pursuit of a murderous madman who delights in taunting police with gruesome messages. Somewhere in the killer's terrifying handiwork lie the clues to his twisted psyche. But the case is growing disturbingly personal. Getting close enough to stop the monster means getting close enough--to die. . . Praise for C. E. Lawrence and Silent Screams "Pulse-racing, first-rate. . .a wild ride down a dark road."--John Lutz "Lawrence delivers finely honed suspense with unique twists."--Katherine Ramsland "A dark, intriguing thriller."--Publishers Weekly

Hate crimes against Native Americans are a common occurrence, Barbara Perry reveals, although most go unreported. In this eye-opening book, Perry shines a spotlight on these acts, which are often hidden in the shadows of crime reports. She argues that scholarly and public attention to the historical and contemporary victimization of Native Americans as tribes or nations has blinded both scholars and citizens alike to the victimization of individual Native Americans. It is these acts against individuals that capture her attention. Silent Victims is a unique contribution to the literature on hate crime. Because most extant literature treats hate crimesNeven racial violenceNrather generically, this work breaks new ground with its findings. For this book, Perry interviewed nearly 300 Native Americans and gathered additional data in three geographic areas: the Four Corners region of the U.S. Southwest, the Great Lakes, and the Northern Plains. In all of these locales, she found that bias-related crime oppresses and segregates Native Americans. Perry is well aware of the history of colonization in North America and its attendant racial violence. She argues that the legacy of violence today can be traced directly to the genocidal practices of early settlers, and she adds valuable insights into the ways in which ÖIndiansÖ have been constructed as the Other by the prevailing culture. PerryÖs interviews with Native Americans recount instances of appalling treatment, often at the hands of law enforcement officials. In her conclusion, Perry draws from her research and interviews to suggest ways in which Native Americans can be empowered to defend themselves against all forms of racist victimization.

THE INSTANT #1 NEW YORK TIMES BESTSELLER "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman ‘ s act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson ‘ s life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London ‘ s most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia ‘ s refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Manches ist schlimmer als Mord. Emma ist eine liebende Ehefrau – und eine Mörderin. Vor Jahren hat sie ihren Lehrer, der sie als Teenager verführte, erschlagen und auf dem Grundstück ihres Elternhauses vergraben – so glaubt sie zumindest. Als ihr Ehemann Alex eine neue Stelle annimmt, muss Emma ihr Elternhaus verkaufen. Zuvor will sie die Leiche verschwinden lassen. Doch das vermeintliche Grab ist leer. In ihrer Not offenbart sie sich ihrem Ehemann und löst damit etwas aus, das ihre Familie zu zerstören droht... Psychologische Spannung vom Feinsten – der Bestseller aus Großbritannien.

The face of the pedestrian safety crisis looks a lot like Ignacio Duarte-Rodriguez. The 77-year old grandfather was struck in a hit-and-run crash while trying to cross a high-speed, six-lane road without crosswalks near his son ‘ s home in Phoenix, Arizona. He was one of the more than 6,000 people killed while walking in America in 2018. In the last ten years, there has been a 50 percent increase in pedestrian deaths. The tragedy of traffic violence has barely registered with the media and wider culture. Disproportionately the victims are like Duarte-Rodriguez—immigrants, the poor, and people of color. They have largely been blamed and forgotten. In Right of Way, journalist Angie Schmitt shows us that deaths like Duarte-Rodriguez ‘ s are not unavoidable “ accidents. ” They don ‘ t happen because of jaywalking or distracted walking. They are predictable, occurring in stark geographic patterns that tell a story about systemic inequality. These deaths are the forgotten faces of an increasingly urgent public-health crisis that we have the tools, but not the will, to solve. Schmitt examines the possible causes of the increase in pedestrian deaths as well as programs and movements that are beginning to respond to the epidemic. Her investigation unveils why pedestrians are dying—and she demands action. Right of Way is a call to reframe the problem, acknowledge the role of racism and classism in the public response to these deaths, and energize advocacy around road safety. Ultimately, Schmitt argues that we need improvements in infrastructure and changes to policy to save lives. Right of Way unveils a crisis that is rooted in both inequality and the undeterred reign of the automobile in our cities. It challenges us to imagine and demand safer and more equitable cities, where no one is expendable.
