The right fix is to find the character values in the Excel file and convert them to actual date values. Then the data will import as a numeric field with a date format attached and SAS will adjust the number to match the numbers SAS uses for those date.

~~Solved: import excel file into SAS - SAS Support Communities~~

The hot fix adds serialization so that when you are in interactive SAS, only one thread can access the resource at a time. This serialization might cause a slight decrease in performance. This should not be noticeable. If the serialization causes a problem, you can turn it off by setting `SAS_USE_THREAD_SAFE_MEMORY=0`.

In the winter of 1996, on the orders of the British Government, the SAS stole the contents of a safe belonging to the Provisional IRA. Rick Fuller headed that team. Days later Fuller's wife was brutally murdered at his home. Convinced he was betrayed from within, Fuller begins a relentless search for her murderers and the men who gave the order. Ten years on Fuller is a Manchester gangland enforcer, a lone and bitter figure. Fuller recruits an old colleague to help him recover a consignment of cocaine from Amsterdam. In the search, doors open on the past and Fuller can finally take his revenge on the men who betrayed him.

Rick Fuller, a once decorated SAS hero, now Manchester hit-man, likes nothing better than disposing of his employer's rivals in return for a suitcase of cash. His spectacular fall from grace and obsession

to discover the identity of the IRA terrorist who gunned down his wife, all but destroyed him. Ten years have passed since that fateful day, and Ireland has seen many changes. Patrick O'Donnell, the man who slaughtered Cathy Fuller on her doorstep in Hereford in 1996 is now the First Minister of the Province, and on the face of it, a trusted and respected politician. The British Secret Service know that O'Donnell is secretly the leader of the New IRA, a group determined to rekindle the troubles and destabilise the peace process. Not only is The Firm willing to assist Fuller and his team to assassinate O'Donnell, but will pay handsomely for the privilege. 'The Fire' is book two in the Rick Fuller Trilogy... The game is definitely back on.

The teenage son of front running US Presidential Candidate, Senator JE Blackman, is found horribly murdered in a Manchester apartment. Blackman knows that if the intimate details of the crime become public, his political ambitions will be in ruins. There can be no arrests, no trial. The Senator is one of the world's richest men. Wealthy enough to make Washington dance to his tune and demand the CIA solve his problem. Their solution? Find a deniable operative. A man that knows the city and its criminal underworld. A man that will seek out the killers and dispose of them, without a second thought. A damaged ex SAS hero that will do anything if the price is right. A man called Rick Fuller. THE FOLLOWER is book four in the best selling Rick Fuller Thriller Series. Furiously paced, deliciously violent and with laugh out loud humour. This action packed thriller will

appeal to readers who like Lee Child, Stephen Leather and Chris Ryan. Praise for the Rick Fuller Series: "A cracking action adventure series with a great cast, all set in Manchester... Breathtaking"

‘A first class thriller... This debut is going to be huge’ Mari Hannah, author of Without a Trace ‘Everyone's going to love this! I wish I'd written it’ Russ Thomas, author of Firewatching FACT: In 1942, in growing desperation at the progress of the war and fearing invasion by the Nazis, the UK government approved biological weapons tests on British soil. Their aim: to perfect an anthrax weapon destined for Germany. They succeeded. FACT: Though the attack was never launched, the testing ground, Gruinard Island, was left lethally contaminated. It became known as Anthrax Island. Now government scientists have returned to the island. They

become stranded by an equipment failure and so John Tyler is flown in to fix the problem. He quickly discovers there's more than research going on. When one of the scientists is found impossibly murdered inside a sealed room, Tyler realises he's trapped with a killer... A gripping thriller that will leave you guessing until the final page. Perfect for fans of Terry Hayes, James Swallow and Alistair MacLean. Praise for Anthrax Island 'Uncomfortably well researched and brimming with pace, Anthrax Island is that rare thing: a thoughtful and intelligent thriller. Absolutely brilliant' M. W. Craven, 2019 CWA Gold Dagger award winning author of The Puppet Show 'A nerve-shredding thriller packed full of atmosphere and tension from a writer to watch' Doug Johnstone, author of The Big Chill 'Anthrax Island makes brilliant use of a unique setting, and at times reads like

conditions and hostile miners—but she didn't expect to find a dead body her first day on the job. Former SAS Sergeant Daniel Fox forged a career as a helicopter pilot, working as far from the rest of the human race as possible. The thrill of flying makes his civilian life bearable, and he lives by his mantra: don't get involved. But when he's charged with transporting the biologist to her research vessel, he can't help but get involved in the murder investigation—and with Cameran, who awakens emotions he's desperate to suppress. In the harsh and rugged wilderness, Daniel and Cameran must battle their intense and growing attraction while keeping ahead of a killer who will stop at nothing to silence her... 87,000 words

murderers are dead and Yunfakh, the latest organised crime gang to come out of the Arab world have been driven from the streets of Manchester. But MI6 and the CIA are now determined to rid the rest of the world of this powerful new gang by targeting their leader Abdallah Al-Mufti. With Des wounded, Cartwright tasks Rick to travel to Southern Ireland alone. Posing as an old IRA player, Fuller's job is to buy a stockpile of weapons left over from the Troubles and sell them to men he hopes will lead him to Al-Mufti. However, what is left of the Provo's have other ideas. Even twenty years on, Rick Fuller's scalp is a precious commodity. With action from beginning to end, THE FELLOWSHIP is a rip roaring ride that will keep you turning the pages until the very end.

It's 1999. The SAS have been sent to the jungle of Sierra Leone to rescue a group of
