Press review: Trump picks ambassador to Russia and Putin to discuss economy with Erdogan

State Department Under Secretary Thomas Shannon called North Korea's pursuit of farther-ranging missiles a global threat, but the U.S. isn't in danger yet.

The definitive origin story of the God-King Sigmar in a collected omnibus edition. Before he became the God-King of Azyr and saviour of the Mortal Realms, before the Old World perished in the fires of the End Times, before even the rise of the Empire, Sigmar was a mortal man. As the young chieftain of the Unberogen tribe, he saved the high king of the dwarfs, earning the eternal friendship of the mountain folk. When a mightily horde of orcs threatened his lands, he united the tribes of men to stand against them at Black Fire Pass. He broke the siege of Middenheim and pushed back the forces of Chaos. And in defeating the great necromancer Nagash, he saved mankind, securing the future of the Empire and taking his first steps on the road to godhood. His deeds are legend. This is his story.

Time of Legends is Black Library's premiere fantasy series, which brings the history and legends of the Warhammer world alive. Empire follows up Heldenhammer, by Graham McNeill, with the story of the creation of the Empire in the Old World.

Sigmar, the first emperor, is a god amongst men, a peerless leader and an unbreakable warrior. Having triumphed over the orcs at Black Fire Pass and defeated the Chaos invasion of Middenheim, the Empire knows a measure of peace. But in the vast deserts of Nehekhara, another empire is rising born of madness and destruction.

As a new empire prepares to rise up from the deserts of Nehekhara, led by one of the most feared necromancers, Sigmar, the first Emperor and unbreakable warrior, must defend the living from the dead. Original.

Book five in the New York Times bestselling series Under the command of the newly appointed Warmaster Horus, the Great Crusade continues. Fulgrim, Primarch of the Emperor ' s Children, leads his warriors into battle against a vile alien foe, unaware of the darker forces that have already set their sights upon the Imperium of Man. Loyalties are tested, and every murderous whim indulged as the Emperor ' s Children take their first steps down the road to true corruption – a road that will ultimately lead them to the killing fields of Isstvan V...

Omnibus edition of all three novels in the Forges of Mars trilogy - Priests of Mars, Lords of Mars and Gods of Mars - as well as an additional short story. The Martian Mechancius's thirst for knowledge is insatiable, and when Archmagos Lexell Kotov learns of an ancient expedition that went in search of the very source of life in the universe itself, he immediately assembles a powerful Explorator fleet to follow in its footsteps. Not only does Kotov have the powerful engines and warriors of the Adeptus Mechanicus to call upon, even the troops of the Imperial Guard and the vaunted Space Marines join his crusade. The way, however, is treacherous and fraught with perils both within and without the fleet. There are marvels and

wonders at the edge of known space, discoveries beyond price, but there are those who believe the secrets of the universe should stay hidden and beings there who pose a danger not only to the fleet but to the Imperium itself.

The legend of Sigmar, warrior-god and central hero in the Warhammer fantasy mythology, is told for the first time in this book. Accompanying the exciting story and wonderful design are fantastic drawings and stylish presentation, which add an authentic flavour and depth to this mythical subject.

An Adeptus Mechanicus Explorator fleet ventures beyond the borders of the Imperium, in pursuit of arcane technology. Who knows what perils may lie outside the dominion of mankind?

New omnibus edition of Mike Lee's classic Warhammer fantasy trilogy The Rise of Nagash. In the fantasy world of Warhammer, magic suffuses the land to such an extent that even the dead can 'live' again, and whole empires of undead creatures hold sway in the dark places of the Old World. The vampires in the forests, the ghouls in their tunnels, the tomb kings of the southern deserts - all can trace their dark lineage back to Nagash, the first necromancer and supreme lord of undeath. For it was Nagash, two millennia before the time of Sigmar, who wrested the secrets of life and death from the dark elves, embarking upon a quest for immortality that would spark a war, destroy an empire and unleash a plague of undeath that would blight the Old World until the End Times and beyond.

Black Library presents the Masterworks – a curated collection of novels celebrating the very best science fiction and fantasy set in the worlds of Warhammer. Newly promoted to the captaincy of the Ultramarines Fourth Company, Uriel Ventriss leads his warriors to the world of Pavonis, where vicious alien raiders are bringing death and destruction. As Pavonis descends into political turmoil, Uriel and his warriors must battle the xenos as they unravel a plot to unleash an ancient evil buried deep beneath the world – the mysterious and deadly Nightbringer. This edition also includes the prequel short story 'Chains of Command'. Locked in battle with the treacherous Night Lords, Captain Idaeus and his warriors – including Sergeant Uriel Ventriss – enact a dangerous plan that goes against the tenets of the Codex Astartes... with deadly consequences.
